Specification for Patent.

Insert name in full, address, and occupation.

WHEREAS I, Henry Chamberlin, of Auckland, in the Colony of New Zealand am desirous of obtaining Letters Patent for securing unto me Her Majesty's Special License that I, and such others as I should at any time agree with, should, from time to time during the term of fourteen years (to be computed from the day on which this instrument shall be left at the Patent Office), make, use, and vend, within the Colony of New Zealand and its dependencies, an Invention for

Insert the title of the specification.

a moveable portable Machine whereby the force of the wind is utilized for the propulsion or drawing of various agricultural implements & machinery on land for the purpose of ploughing, harrowing etc.

and in order to obtain the said Letters Patent I must, by an instrument in writing under my hand and seal, particularly describe the nature of the said Invention, and in what manner the same is to be performed, and make a distinct claim for the especial novelty thereof:

Now, therefore, the nature and details of the said Invention, and the manner in which the same is to be performed, are particularly described in the statement contained in the schedule hereto.

Describe the invention with precision, and the especial novelty thereof, on the back hereof, as a schedule, and sign it.
Attach drawings, if thought necessary.

And I do hereby, for myself, my heirs, executors, and administrators, covenant with Her Majesty, her heirs and successors, that I believe the said Invention to be a new Invention as to the public use and exercise thereof, that I do not know or believe that any other person than myself is the true and first Inventor of the said Invention, and that I will not deposit these presents at the Patent Office with any such knowledge or belief as last aforesaid.

In witness whereof I have hereunto set my hand and seal this 17th day of October, 1884

Henry Chamberlin

Witness to signature:

T. Walker

Registration at 11.30 am this 17th day of October 1884, and Certificate given.

C. J. Macdonald
Patent Officer
